

The Scoop

IBM Notes

On IBM computers with 256K memory, you may get the following message when you exit the game: "Insert disk with \COMMAND.COM in drive A and strike any key when ready."

If you do, remove The Scoop disk from drive A>, inset your DOS disk in drive A>, and press <SpaceBar>.

Your DOS prompt will then appear.

Additional Credits: Music by Rob Williams and additional programming by Jim Bach.

Because we wanted to keep the writing style clear and unencumbered, we used masculine pronouns ("he," "his") throughout the manual. This is not a reflection on our values, but rather a reflection that English has no suitable feminine/masculine pronoun.
